

TeifsKwik

This is a fast track, cost competitive Exterior Insulation and Finish System utilizing Dow Chemical Quik-R polyisocyanurate board.

TeifsKwik can be applied directly to framing or metal siding using Quik-R as the base for the Teifs base coat, mesh and finish coat. This fast, weather resistant system is ideal for residential or light commercial use and comes with a 5 year materials and workmanship warranty.

Quik-R must be applied according to Dow Chemicals application instructions.
